Mental Well Being and Suicide Prevention Coalition Agenda January 9, 2024

Overarching Goals January 2024-December 2024:

Increase awareness and access to mental health services:

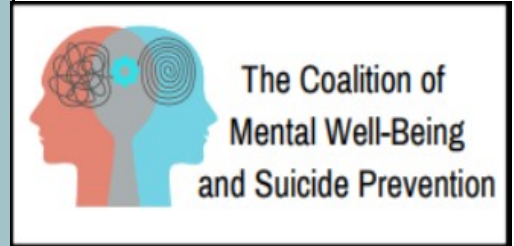

- Develop and support Behavioral Health 360 platform, central location for seeking services, mass media campaign

Reduce stigma of mental health to build resiliency:

- Minimum of 5 community events that support mental wellbeing (and school events such as Teen Health Fair, Pride Night at MS), Music in the Park, business health fairs, etc.

Increase community knowledge and skills to support good mental health:

- Continue to support RYV program and other school activities, offer guest speakers, internal school education (SOS, health class ed), support other organization events.

Staff Present: John Zenkovich, Meghan Williams, Jean Turunen, Karen Marten, Kristin Hetto

	<ul style="list-style-type: none">- Youth Mental Health First Aid Trainings-	<p>we want to utilize that – funds have to be spent by June. Also asked about utilizing Veteran’s resources at different events. For DV in the VA, they have a large poster where a phone number is “hidden” in the poster so its discreet yet easily accessible.</p> <ul style="list-style-type: none">- Karen suggested utilizing ADRC to distribute resources with Meals on Wheels.- Jean will connect with Kelly Derlein to see if she is still doing the SOS program at the middle school.- Lesley said that staff at the school district will be offered the Youth Mental Health First Aid training in February.- Darlaen will get a copy of the 988 billboard image in the school newsletters and on the district website.

		<ul style="list-style-type: none">- ASCS is teaming up with different organizations for mental health trainings.- NCHC is our biggest resource in Langlade County for counseling. They currently have two full time counselors but will be losing one in February. They will have two full time counselors – try to come up with a goal to increase access to counseling in the community.- LCHD was awarded a grant through NACCHO – Behavioral Health 360 (Credible Mind) we will be opening this for community wide use. It will be tailored with all the resources for Langlade County and surrounding areas for the community to utilize for different resources they may need. There are assessments that can be
